

TRI COUNTY YOUTH GIRLS BASKETBALL

Mini-Camp

On Saturday, January 21 there will be a mini-camp for girls in grades 1-6. The mini-camp will begin at 1:00 p.m. and conclude at 3:30 p.m. Grades 1-3 will be in the elementary gym and grades 4-6 will be in the high school gym. The mini-camp will be free of charge and no registration is necessary—just bring your daughter(s) to school at the designated times!

Open Gyms

These are open to girls in grades 3-8. We will spend the majority of the time working on fundamentals, and then allow the girls to scrimmage for some of the time as well. I, along with assistant coaches and possibly some high school athletes, will be present on most nights. Due to the wide range of age and skill level, I will need parents to help with these open gyms. If parent coaches and their teams would like to use this time to practice, they may do so. All girls in grades 3-8 can attend these open gyms, regardless of whether they are on an organized team or not. These open gyms will last from 7:00-9:00 p.m. and girls can come at any time and stay as long as they wish.

- **January 23, 30**
- **February 13, 20, 27**

Halftime Scrimmages:

Girls in grades 3-6 will be given the opportunity to scrimmage during halftime of the girls junior varsity and varsity contests on **January 26th** (T.C. v. Heartland), and on **February 9th** (T.C. v. Freeman). The girls will scrimmage during halftime of both the girls junior varsity game and the girls varsity game. Depending on the number of girls, we can have grades 3 & 4 play on one end of the court and grades 5 & 6 on the other end.

I will need several parents to be willing to organize and “officiate” these halftime scrimmages. Please have your girls meet in the weight room approximately halfway through the second quarter of their respective game. If you are willing to help with getting the girls organized and officiating, please let me know or just meet in the weight room with the girls.

As always, feel free to contact me with any questions regarding the events & activities mentioned above. Thank you for your help as we get a youth girls basketball program going at Tri County.
