If you are a parent of a child who is eligible for entrance into kindergarten for the 2016-2017 school year, please fill out the bottom portion of this form and return it to the front desk at Tri County Elementary by Friday, February 19th. You may also register your child by calling the front desk at 402-683-4035.

When registering your kindergarten child, please remember the following requirements:

1. Your child must be five years old on or before July 31st of the school year in which he/she enters kindergarten. (State Law)
2. If you live within the Tri County school district, you have automatic acceptance into the 2016-2017 kindergarten class.
3. If you live outside of the district boundaries, you need to fill out the proper "option enrollment" papers before March 15th. (Can get from the district office) This does not guarantee your acceptance into Tri County. Tri County will accept out of district students up to 26 total students. Once the total reaches 26, no others will be accepted. Preference is given to those that applied and turned in their "option enrollment" papers first. (Tri County Board Policy)
