

## Waiver/Release

I understand that running a road race is a potentially hazardous activity. I should not enter to walk or run unless I am medically able and properly trained to run the distance of this event, 1 mile and/or 3.1 miles. I understand that the weather conditions on that day can be wet and slick and there is the danger of weather related injury or even death. I assume all risks associated with running in this event including but not limited to: falls, contact with other participants, the effects of the weather including wet and slick conditions, high heat and humidity, traffic and the conditions of the road, all such risks being known and appreciated by me. Having read this waiver and knowing these facts and in consideration of your accepting my entry, I, for myself and anyone entitled to act on my behalf, waive and release the Tri County Educational Foundation, sponsors and all volunteers from all claims or liabilities of any kind arising out of my participation in this event though that liability may arise out of negligence or carelessness on the part of the persons named in this waiver.
