

2019-2020 Tri County Elementary Check In/Supply Pick Up

Dear Parents, (Please read carefully for pick up times and places)

As you know the school year ended a bit “different” compared to most years. Due to this, we will need you to stop by the school and *pick up your child’s personal supplies, return Tri County’s technology device/s, library books and pay final lunch bills.* We ask you to please do your best to make the date and time listed below. If you cannot or feel uncomfortable doing it in this manner, please contact Mr. Gronemeyer or your child’s teacher and make arrangements for a different time.

Keep in mind, a system is in place to grab all of your children’s items on any of the nights during the scheduled times if you have multiple children. We will give you all items of all children on one night only.

Finally, it will be set up that you grab your child’s bagged items, set the device on a table and leave quickly. We will do our best to use social distancing and keep you all safe!
