SCHOOL NURSE POSITION

Tri County Public Schools is taking applications for a school nurse to work closely with students and staff members. The district is seeking an RN to fill the position for medical wellness, safety, and meeting the Nebraska Department of Education standards for student requirements. The opportunity is part-time, two days per week during the school year with additional days as needed when determined by the administration. Tri County pays a competitive salary for school nurses as well as provides single health insurance and dental insurance from BC/BS of Nebraska. Interested persons should contact the Tri County District Office (402-683-2037) or go to www.tricountyschools.org under the district tab for more information about the district and an application. Tri County Public Schools is an equal opportunity employer.
